Brinton M. Miller, *Treasurer*

Infection and Immunity (ISSN 0019-9567), a publication of the American Society for Microbiology, 1913 I St., NW, Washington, DC 20006, is devoted to the advancement and dissemination of fundamental knowledge concerning: (i) infections caused by pathogenic bacteria, fungi, unicellular parasites, and viruses; (ii) the ecology and epidemiology of pathogenic microbes; (iii) virulence factors, such as toxins and microbial surface structures; (iv) nonspecific factors in host resistance and susceptibility to infection such as phagocyte function; and (v) the immunology of microbial infection. "Instructions to Authors" are published in the January issue each year; reprints are available from the Editors and the Publications Office. *Infection and Immunity* is published monthly, and the twelve numbers are divided into four volumes per year. The nonmember subscription price is \$130 per year. Single copies are \$13. The member subscription price is \$30 per year. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Office, 1913 I St., NW, Washington, DC 20006 (area 202 833-9680).
