Infection and Immunity (ISSN 0019-9567), a publication of the American Society for Microbiology, 1913 I St., NW, Washington, DC 20006, is devoted to the advancement and dissemination of fundamental knowledge concerning: (i) infections caused by pathogenic bacteria, fungi, and unicellular parasites; (ii) the ecology and epidemiology of pathogenic microbes; (iii) virulence factors, such as toxins and microbial surface structures; (iv) nonspecific factors in host resistance and susceptibility to infection; and (v) immunology of microbial infection. Instructions to authors are published in the January issue each year; reprints are available from the editors and the Publications Department. *Infection and Immunity* is published monthly, and the twelve numbers are divided into four volumes per year. The nonmember subscription price is \$249 per year; single copies are \$21. The member subscription price is \$37 (foreign, \$49 [surface rate]) per year; single copies are \$7. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Department, 1913 I St., NW, Washington, DC 20006 (phone: 202 833-9680).

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed. Second class postage paid at Washington, DC 20006, and at additional mailing offices.

POSTMASTER: Send address changes to *Infection and Immunity*, ASM, 1913 I St., NW, Washington, DC 20006. Made in the United States of America.
